

THE FINNISH MARITIME CLUSTER YEARBOOK 2019

The Finnish Maritime Cluster Yearbook 2019 is a joint international English-language marketing project of the Finnish Maritime Cluster.

The yearbook tells about the activities of significant Finnish maritime companies and organisations. It also gives key figures for the maritime cluster. Themes include the rejuvenating operating environment, digitalisation and automation of shipping, and the development of legislation in the sector.

Its target group includes decision-makers, customers, authorities, the media and other stakeholders in the sector both internationally and in Finland

The Finnish Maritime Cluster Yearbook 2019 is being published both in print and online.

It will be distributed at international maritime fairs.
